## GENERAL CONDITIONS

1. All Horses taking part in the Madras Races 2017/2018 shall be bound by the Rules of the Madras Race Club and notifications issued from time to time in the MRC Racing Calendar and such other regulations as may be laid down by the Stewards of the Meeting from time to time.

Horses must be registered under Madras Race Club Rules of Racing or under Rules of any recognized Turf Authority in India if not already registered.

To qualify for entry in Handicap races, horses must be rated by the Handicapper, Madras Race Club one day prior to the closing of entries, failing which entries of such horses will be rejected.

Any horse can be entered in any race except that a higher rated horse cannot be entered in races where the upper rating limit is specified.

Horses which have raced at Meetings other than under the Madras Race Club Rules of Racing subsequent to being rated by the Handicapper, MRC must be re-rated by the Handicapper, Madras Race Club one day prior to closing of entries for races under Rules of Racing of Madras Race Club.

In the event of a horse having raced at a meeting other than under the Rules of Racing of Madras Race Club subsequent to its having been entered for a race under Rules of Racing of Madras Race Club, the entries of such horse/s will be void unless such horse/s is re-rated prior to the publication of Handicaps for the race/s for which it is entered.

In the event of a horse/s having raced at a Meeting other than under the Rules of Racing of Madras Race Club subsequent to its having been handicapped for a race under Rules of Racing of Madras Race Club, such horse/s shall be withdrawn from the race for which it has been handicapped.

No horse shall be entered in more than one race on the same day except for sweepstakes race/s.

**No horse shall be accepted to participate in more than one race on the same day and no horse shall be accepted to participate in more than one race when racing has been scheduled for consecutive days.**

Stakes will be disbursed up to six (6) places, however Trainers / Jockeys commission will be given up to four (4) places only.

Stakes for the 5th & 6th places will be paid in all races except the Sweepstakes Races subject to the condition that number of actual starters in a race is eight (8) & nine (9) or more respectively.

Only such horses which are certified fit for racing by the Veterinary Officer of the Madras Race Club will be allotted stables at Madras.

Special attention is drawn to the following:

1. The list of entries shall be closed at the time appointed and no entry shall be admitted on any ground after the time.

**Attention of all owners and trainers is invited to Rule 85 which reads as under:**

**An owner or his authorised agent entering any horse in a race for which he is not qualified to start by the conditions of that race may be liable to a fine not exceeding such amount as may be fixed from time to time by the Stewards of the Club.**

If no hour is fixed for closing of entries, the list shall not be closed till midnight.

In the event of any horse becoming ineligible for Sweepstakes Race/s, the Subscriptions will not be refunded, except in the case where horses have been rejected or balloted out due to the Sweepstakes Race not being divided, only the final forfeit will be refunded.

2. Entries must be made with requisite particulars. If the entries are not signed by the Owner, they must be accompanied by a written authority from the Owner to the enterer (special attention is drawn to Rule 83) unless such authority has already been filed in the office of the Madras Race Club, otherwise they will be declined.

Note: In case of entry made by fax or SMS from the Owners'/ Trainer's phone, confirmation in writing on prescribed form and remittance if any must be sent as soon as possible.

- a) Entries should be made on forms which will be supplied by the Madras Race Club and correct details of all particulars required on the form should be filled in.

- b) Should there be any entrance money the same goes to the Fund, unless otherwise specified in the condition of the race. (Subject to Rule 124)
- c) If in any race there are less than EIGHT (8) horses entered in separate interest the race may be declared void under Rule 186. In case of less than FIVE (5) acceptors in 80 and above race/s and less than SIX (6) acceptors in any race/s other than Sweepstakes Race/s, such race/s will be declared void.**
- d) In the event of the number of acceptors in any race/s (except for sweepstakes races) exceeding 18 and not more than 28, such race/s will be divided into two divisions and if the number of acceptors exceeding 36 and less than 43, such race/s will be divided into three divisions at the discretion of the Stewards and the excess number of acceptors above the stipulated limits for divisions will be balloted out.**

Unless otherwise decided by the Stewards, MRC the maximum number of races for a race day would be 8 (eight) and the minimum number of races for a race day would be 6 (six). In the event of there being more number of races than the above stipulation on a race day by virtue of division of races and in order to limit the number of races as stipulated the excess number of acceptors in the lower rated race/s (first) more than the prescribed field limit of 14 will be rejected by ballot. A horse once rejected/balloted out after acceptance shall not be rejected/included in the ballot on the next occasion (except for sweepstakes race) when the horse/s is an acceptor provided the horse/s has not run after being excluded so as to restrict the field size for each division to 14.

The following order of preference for division will be followed:

- A. Handicap – 80 & Above
- B. Maiden Term Races
- C. Penalty Term Races
- D. Handicap – 60 to 85; 40 to 65; 20 to 45 and upto 25.

Note – The time and date for the acceptances of two consecutive race days will be on the same day and in the eventuality of division of race/s, the Stewards reserve the right to divide as many number of races as into as many divisions (not exceeding three per race)

as deemed fit. Further, the Stewards may Advance/ Postpone any race/s so as to balance the number of races on two consecutive race days with a limit of not exceeding 8 races per day and not more than 9 races on derby day.

In case of acceptances time being fixed on same day for two consecutive race days, the owners' / trainers are allowed to lodge a conditional prescribed blue form in the scratching box prior to the scheduled time and date fixed specifying in which race they would prefer to accept their ward in case of entry in two races on consecutive race days if a race/s going void/not getting divided or a horse getting balloted out from a race. Further, any horse/s balloted out on the first consecutive day shall not be balloted out from the second day if accepted. Scratching forms for each consecutive race day should be lodged separately.

However, when such race/s (except for sweepstakes) are not divided due to above stipulation, the excess number of acceptors shall be balloted out so as to limit the field size to 14.

In case of ballot the owner/trainer will have an option/priority of rejections where they can lodge on a pink form giving the order of rejection by ballot. The order of preference for balloting out must be in sequential order.

Division procedure – The list of acceptors shall be first adopted, the order of which shall be the same as published in the handicaps. The acceptors then shall be allotted in that order alternatively to each division. Provided that if a division contains more than one horse in the nomination of the same person, or in the care of the same trainer, the persons authorized to make the divisions may exchange the second of such horses as far as possible with the horse of the same weight or failing such of the nearest weight in another division not so nominated or trained. If there be two or more of the last mentioned horses exchange shall be determined by lot.

In the event of the number of acceptors in a sweepstakes race/s exceeding 16, the excess number of acceptors will be rejected as under.

i) The rejection of excess number of acceptors will be based on the aggregate value of stakes earned by the horse/s during the current and two proceeding seasons. Horses having higher

aggregate value shall be given priority to remain in the race whilst horses with lower aggregate value will be rejected to the field as prescribed. If two or more horses are of equal lower aggregate value of stakes, the horse/s shall be rejected by ballot.

ii) In case of Sweepstakes/Terms races confined to maidens the rejection will be by ballot.

iii) In case of a horse/s being rejected after acceptance stage, only the final forfeit will be refunded.

- e) A horse rejected from a race shall not be rejected/ included in ballot when it has been accepted next time provided the horse/s has not run after being balloted.
  - f) The time and dates advertised for forfeits are liable to alteration after the closing of entries should circumstances arise, which in the opinion of the Stewards, make it desirable. All horses accepting i.e. left in after the time fixed for final forfeits must be declared to start unless prior permission for their withdrawal has been obtained from the Stewards.
  - g) The Stewards reserve the right to refuse or to accept the tender of an entry and/or to cancel an accepted entry at any time without assigning a reason.
  - h) The Stewards reserve the right to amend or alter the conditions of any race at any time before the entry closes, and to indicate any race or races to be ridden by Indian Jockeys and Apprentices at the time of publication of Handicaps.
  - i) The Madras Race Club reserves the right of paying stakes after seven working days after a race is run.

The declaration must be in writing and must state the name of the race, the name of the horse, weight to be carried and the name of the Jockey.
